1.0 CALL TO ORDER

The regular meeting of the California Association of Health and Education linked Professions Joint Powers Authority (CAHELP JPA) Steering Committee was called to order by Chairperson Jenae Holtz, at 9:01 a.m., at the Desert Mountain Educational

Service Center, Apple Valley. The meeting Minutes for October 13, 2017, and the meeting Agenda for November 3, 2017 were adopted as presented.

2.0 COMMITTEE MEMBERS COMMENTS/REPORTS

Diane Hannett, Snowline JUSD, inquired whether the SELPA had any information about the recent LRP news alert regarding the Office of Special Education and Rehabilitative Services (OSER) revoking several special education documents.

Jenae responded the State SELPA Administrators discussed this issue yesterday. She stated currently State SELPA is not concerned as the documents on the list to be revoked are very old. Jenae concluded she would share the list with directors.

3.0 PRESENTATIONS

None.

4.0 DIRECTORS OF EDUCATION REPORTS

Nonpublic Schools - Jenae Holtz responded to an inquiry regarding the status of nonpublic schools (NPS). Jenae reported Bright Futures Academy (BFA) is hopeful the California Department of Education (CDE) will visit in December to conduct their corrective actions review. She anticipates the CDE will lift BFA's suspension in January 2018. Jenae further stated the SELPA continues conducting daily walkthroughs at BFA and provides monthly reports to the CDE. She then stated McKinley Children's Center signed a lease for the site where Altus Academy was in Hesperia. McKinley is hoping to be ready to serve students in January 2018. Jenae concluded representatives from Point Quest NPS are scheduled to visit the high desert and meet with the Inland Empire SELPA (IESA) Administrators to discuss potentially opening campuses in southern California.

5.0 DESERT/MOUNTAIN OPERATIONS AREA DIRECTOR'S REPORTS

5.1 AVCEC Update

Rich Frederick reported the therapeutic program at the Apple Valley County Education Center (AVCEC) campus is fully staff and stabilized. Each referral is being carefully reviewed to ensure the program is an appropriate placement for the student. County Superintendent Ted Alejandre had an opportunity to tour the campus yesterday. Rich concluded the superintendent's feedback was positive.

5.2 DHH Itinerant Services & ASL Interpreters

Rich Frederick spoke about the challenges with the shortage of American Sign Language (ASL) interpreters and the increasing demand for ASL interpreters at the high school level. County Schools has only three fulltime ASL interpreters

and in some cases, is relying on contracted interpreters. Rich encouraged directors to consider the California School for the Deaf at Riverside (CSDR) as an option depending on the student's level of need. He also discussed the possibility establishing a deaf/hard of hearing (DHH) program for local education agencies (LEAs) with high school sites.

Rich also reported currently the D/M Operations visually impaired (VI) program serves students kindergarten through middle school. However, his office is receiving referrals for high school students. Rich noted an awareness of families requesting a higher level of VI services for high school students. He stated LEAs might consider an intra-district placement at the West End SELPA VI high school program as an option for parents requesting higher levels of services until more options are available. Rich concluded he will email additional information to directors.

Jenae suggested scheduling a workgroup for directors to discuss DHH program options for the high desert region.

Rich highlighted two upcoming competitions for students who are deaf or hard of hearing; the Spirit Writing Contest (entry deadline March 15, 2018) and the RIT Math Competition (April 13-15, 2018).

6.0 CHIEF EXECUTIVE OFFICER'S REPORTS

6.1 Compliance Update

Jenae Holtz reviewed the upcoming due dates for CDE compliance items. Disproportionality reports are due to the SELPA now. Data Identified Non-Compliance (DINCs) reports are due to the SELPA November 10, 2017 then to the CDE November 30, 2017. Performance Indicator Review (PIR) Plans are due to the SELPA January 5, 2018, and to the CDE January 30, 2018, with the exception of Academy for Academic Excellence (AAE) due December 15, 2017 to the SELPA and December 22, 2017 to the CDE as a part of the CDE's pilot program. Jenae concluded Apple Valley USD, Barstow USD, and Victor Valley Union High School District (VVUHSD) are in Comprehensive Review.

6.2 Dyslexia Update

Jenae Holtz reported the CDE released a link to the updated version of the guidelines for the California Dyslexia Guidelines.

Karina Quezada commented on a notable change on page 40 that clearly defines the role of school psychologist and how instrumental school psychologists are in the identification and development of programs for children identified with dyslexia.

Denise Edge commented at the F-3 workshop yesterday, the presenter mentioned the importance of including the speech language pathologist in the dyslexia assessment process and decision making for services if a student is eligible.

6.3 D/M Charter SELPA Policy & Procedures Chapter 10: Fiscal Allocation Plan

Jenae Holtz reported D/M Charter SELPA Policy and Procedure Chapter 10: Fiscal Allocation Plan was revised in Section F to change the breakdown of percentages to the Insurance Pool (from 5% to 3%) and Risk Pool (from 3% to 5%). The percentages for high-risk status were also revised. Jenae noted the Risk Pool does not cover expenditures for compensatory services if included in a due process settlement agreement. Section G was revised to include verbiage regarding charter members being responsible for developing nonpublic school/nonpublic agency (NPS/NPA) contracts if needing to place a student, and covering the costs for services independent of the Charter SELPA. The revisions were made based on the recommendation of the Charter SELPA Executive Council to better meet the needs of Charter SELPA members and the recent increase in due process filings. Jenae stated the Charter SELPA Executive Council approved the revisions on October 25, 2017 to protect the other members. She concluded the revised policy will go to the CAHELP Governance council November 17th for approval.

7.0 DIRECTORS' REPORTS

7.1 DMCC Clients Services Reports

Linda Llamas stated the open and closed DMCC Clients Services reports are included in the director's individual packets. She concluded directors may contact her should they find any errors or have questions regarding the reports or DMCC services.

8.0 PROGRAM MANAGERS' REPORTS

8.1 Professional Learning Summaries

Corinne Foley presented the year-to-date D/M SELPA & Charter SELPA Professional Learning Summaries. There have been approximately 3000 participants in regional and onsite trainings since July 1, 2017. Corinne reported the SELPA is seeing an increase in requests for onsite training. She concluded SELPA staff are working on more online training modules to meet the needs of the LEAs.

8.2 Professional Learning Updates

School Psychologists Committee Meeting: Glenn Low announced the SELPA's December 5, 2017 School Psychologists Committee Meeting will feature Dr. Sam Ortiz. Dr. Ortiz will speak on evidence-based evaluations and best practices for

assessments of English Language Learners. Glenn stated an invitation to attend was extended to the speech-language pathologists. He noted this is a full-day workshop with no cost to attend. Glenn encouraged directors to attend.

HOLA! Spanish Translator Training: Renee Garcia reported individuals from a few LEAs have requested HOLA! Translator training. Renee requested directors to contact her if they are interested in having staff training possibly in February or March. She concluded the cost is approximately \$5,000 for the presenter; approximately \$200 per person.

8.3 Community Advisory Committee (CAC)

Corinne Foley reported attendance at Community Advisory Committee (CAC) meetings increased over the past year. Corinne stated Cyberbullying is the topic for the December 7, 2017 meeting. Corinne then reviewed the attendance list of LEA representatives; she requested directors to encourage their representatives to attend the meetings. Corinne stated she would correct the attendance to reflect Silver Valley's participation via videoconferencing. She concluded the SELPA will also follow up on the Inland Regional Center's representative.

8.4 Due Process Summaries

Denise Edge reported all 2016-17 due process cases are closed. The Charter SELPA has had two cases file since July 1, 2017; currently one case remains open. Year-to-date legal expense for the Charter SELPA are \$14,142. Twelve cases have been filed in the SELPA since July 1, 2017; currently three cases are open. Year-to-date legal expenses for the SELPA are \$109,924. Attorney fees are \$94,720. Denise then referenced a legal opinion regarding parent advocates (representatives) that are not attorneys not being authorized to speak on behalf of the parent in Office of Administrative Hearings (OAH) due process cases. Denise stated the legal opinion was emailed to directors this morning.

Denise also shared highlights from a recent F-3 workshop; this information was emailed to directors. Denise then noted LEAs are required to maintain documentation annually for the offer of Free Appropriate Public Education (FAPE) for students parentally placed in private schools. LEAs can share the SELPA's Special Education Question and Answers brochure as a resource for private schools.

8.5 SELPA Forms

Denise Edge presented the revisions to SELPA forms D/M 68A & 68L. She stated the California High School Exit Exam (CAHSEE) verbiage was removed from 68A & 68L, and an asterisk was added next to the Low Incidence Equipment (LIE) disabilities category. A column for the California English Language Development Test (CELDT) was added on 68L and the Testing Matrix was revised for the English Language Proficiency Assessments for California (ELPAC). Denise stated once programming changes have been made, the SELPA

will upload the forms to the Forms Portal on the website. She concluded the SELPA anticipates the revised forms will be available in late December 2017 or early January 2018.

8.6 D/M SELPA Policy & Procedures Chapter 5: Audiology Appendix

Denise Edge presented the revisions to SELPA Policy and Procedures Chapter 5: Supports and Services, Appendix H: SELPA Referral Procedures, and Appendix J: Audiology, including the current SELPA Audiology forms. Denise reminded the committee audiology assessments should be done twice annually, and the assessment plan is only good for 60 days. Denise also stated directors can contact Rich Frederick if an DHH Itinerant staff is needed to assist with interpreting an audiology report. Denise reminded directors of timelines for Audiological Assessments, and compliance with Assessment Plans and IEP meeting.

Denise also reminded directors to notify the SELPA when an IEP team decision is made to add NPA services so the student's Individual Service Agreement (ISA) reconciles with services in MIS.

8.7 Alternative Dispute Resolution (ADR)

Denise Edge highlighted the November 16, 2017 Facilitation Toolbox – Advanced Facilitation Skills training featuring Dr. Sheri Wilkins. She stated the registration is low at this time. Denise then reported there is room for an additional 250 attendees to register for the March 8-9, 2018 Alternative Dispute Resolution (ADR) conference. She concluded registration for up to 5 LEA staff will be covered by the ADR grant.

9.0 BUSINESS DEPARTMENT REPORTS

9.1 Maintenance of Effort (MOE) Summary

Marina Gallegos presented the SELPA and Charter SELPA November 2017 Maintenance of Effort (MOE) 2016-17 SEMA reports. Marina stated LEAs only need to pass at least one of the four test levels. Marina then presented the 2017-18 SEMB reports for SELPA and Charter SELPA. She explained the process for meeting MOE and completing the Subsequent Year Tracking Worksheets. Marina concluded all SELPA and Charter SELPA LEAs passed 2016-17 SEMA and 2017-18 SEMB.

10.0 PROGRAM SPECIALISTS' REPORTS

Jennifer Rountree reported on the SELPA's Program for the Education and Enrichment of Relational Skills (PEERS) program. She stated currently referrals are being reviewed and interviews are in process for the next cohort to be held in February 2018.

11.0 INFORMATION ITEMS

11.1 December Pupil Count Memo

11.2 County Regional Services Reports (SELPA & Charter SELPA)

Jenae reported due to this month's meeting falling shortly after the 1st of the month, the SELPA was not able to finalize the County Regional Services Reports prior to the meeting. Jenae concluded the reports will be sent to directors electronically.

11.3 SELPA Related Services Reports (SELPA & Charter SELPA)

11.4 Monthly Occupational and Physical Therapy Services Reports

11.5 Monthly Audiological Services Reports

11.6 Monthly Nonpublic School/Agency Expenditure Report

11.7 Monthly Nonpublic School/Agency Placement Report

11.8 Monthly Low Incidence Equipment Reimbursement Reports

11.9 Upcoming Professional Learning Opportunities

12.0 OTHER

Jenae announced Kami Murphy and Adrienne Shepherd are now program managers for D/M SELPA.

13.0 ADJOURNMENT

Having no further business to discuss, the meeting was adjourned at 10:40 a.m.

NEXT MEETING: December 8, 2017, in the Desert/Mountain Educational Service Center, Aster Room.

**Senate Bill No. 210****CHAPTER 652**

An act to add Section 56326.5 to the Education Code, relating to special education.

[Approved by Governor October 08, 2015. Filed with Secretary of State
October 08, 2015.]

LEGISLATIVE COUNSEL'S DIGEST

SB 210, Galgiani. Special education: deaf and hard-of-hearing children: language developmental milestones.

(1) Existing law provides that the Superintendent of Public Instruction may authorize the California School for the Deaf, which is composed of two schools, the California School for the Deaf, Northern California, and the California School for the Deaf, Southern California, to establish and maintain a testing center for deaf and hard-of-hearing minors. Existing law provides that the purpose of the center shall be to test hearing acuity and to give such other tests as may be necessary for advising parents and school authorities concerning an appropriate educational program for the child. Existing law authorizes a pupil to be referred, as appropriate, to the California School for the Deaf, among other places, for further assessment and recommendations.

This bill would require the State Department of Education's Deaf and Hard of Hearing unit and the state's 2 schools for the deaf to jointly select language developmental milestones from existing standardized norms for purposes of developing a resource for use by parents to monitor and track deaf and hard-of-hearing children's expressive and receptive language acquisition and developmental stages toward English literacy. The bill would require the language developmental milestones to be selected from the language developmental milestones recommended by an ad hoc advisory committee, which the bill would establish, as provided. The bill would require the parent resource to, among other things, make clear that it is not a formal assessment of language and literacy development, and that a parent's observations of their children may differ from formal assessment data presented at an individualized family service plan (IFSP) or individualized education program (IEP) meeting, but to also make clear that a parent may bring the parent resource to an IFSP or IEP meeting for purposes of sharing their observations about their child's development.

The bill would require the department to also select existing tools or assessments for educators that can be used to assess the language and literacy development of deaf and hard-of-hearing children, as specified. The bill would authorize the educator tools or assessments to be used, in addition to the assessment required by federal law, by the child's IFSP or IEP team, as applicable, to track deaf and hard-of-hearing children's progress, and to establish or modify IFSP or IEP plans.

The bill would, if a child does not demonstrate progress in expressive and receptive language skills, as measured by one of the selected educator tools or assessments, or by the existing instrument used to satisfy federal law, require the child's IFSP or IEP team, as applicable, to explain in detail the reasons why the child is not meeting the language developmental milestones or progressing towards them, and to recommend specific strategies, services, and programs that would be provided to assist the child's success toward English literacy. To the extent

this provision would impose additional duties on local educational agency officials, the bill would impose a state-mandated local program. The bill also would require the department to disseminate the language developmental milestones to parents and guardians of deaf or hard-of-hearing children, and, pursuant to federal law, to disseminate the selected educator tools and assessments to local educational agencies for use in the development and modification of IFSP and IEP plans, and to provide materials and training on its use to assist the deaf or hard-of-hearing child in becoming linguistically ready for kindergarten using both or one of the languages of American Sign Language and English.

The bill would require the department, commencing on or before July 31, 2017, and on or before each July 31 thereafter, to produce a report that is specific to language and literacy development of deaf and hard-of-hearing children from birth to 5 years of age, inclusive, including those who are deaf or hard of hearing and have other disabilities, relative to their peers who are not deaf or hard of hearing, as specified. The bill would require the department to make the report available on its Internet Web site.

The bill would make these provisions applicable only to children from birth to 5 years of age, inclusive. The bill also would provide that implementation of these provisions is subject to an appropriation being made for these purposes in the annual Budget Act or another statute.

(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority Appropriation: no Fiscal Committee: yes Local Program: yes

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

SECTION 1. Section 56326.5 is added to the Education Code, to read:

56326.5. (a) The department's Deaf and Hard of Hearing unit and the California School for the Deaf shall jointly select language developmental milestones from existing standardized norms, pursuant to the process specified in subdivision (d), for purposes of developing a resource for use by parents to monitor and track deaf and hard-of-hearing children's expressive and receptive language acquisition and developmental stages toward English literacy. This parent resource shall:

- (1) Include the language developmental milestones selected pursuant to the process specified in subdivision (d).
- (2) Be appropriate for use, in both content and administration, with deaf and hard-of-hearing children from birth to five years of age, inclusive, who use both or one of the languages of American Sign Language (ASL) and English. For purposes of this section, "English" includes spoken English, written English, or English with the use of visual supplements.
- (3) Present the developmental milestones in terms of typical development of all children, by age range.
- (4) Be written for clarity and ease of use by parents.
- (5) Be aligned to the department's existing infant, toddler, and preschool guidelines, the existing instrument used to assess the development of children with disabilities pursuant to federal law, and state standards in English language arts.
- (6) Make clear that the parent resource is not a formal assessment of language and literacy development, and that a parent's observations of their children may differ from formal assessment data presented at an individualized family service plan (IFSP) or individualized education program (IEP) meeting.
- (7) Make clear that a parent may bring the parent resource to an IFSP or IEP meeting for purposes of sharing their observations about their child's development.

(b) The department shall also select existing tools or assessments for educators that can be used to assess the language and literacy development of deaf and hard-of-hearing children. These educator tools or assessments:

- (1) Shall be in a format that shows stages of language development.

(2) Shall be selected for use by educators to track the development of deaf and hard-of-hearing children's expressive and receptive language acquisition and developmental stages toward English literacy.

(3) Shall be selected from existing instruments or assessments used to assess the development of all children from birth to five years of age, inclusive.

(4) Shall be appropriate, in both content and administration, for use with deaf and hard-of-hearing children.

(5) May be used, in addition to the assessment required by federal law, by the child's IFSP or IEP team, as applicable, to track deaf and hard-of-hearing children's progress, and to establish or modify IFSP or IEP plans.

(6) May reflect the recommendations of the advisory committee established pursuant to subdivision (e).

(c) (1) The department shall disseminate the parent resource developed pursuant to subdivision (a) to parents and guardians of deaf and hard-of-hearing children, and, pursuant to federal law, shall disseminate the educator tools and assessments selected pursuant to subdivision (b) to local educational agencies for use in the development and modification of IFSP and IEP plans, and shall provide materials and training on its use, to assist deaf and hard-of-hearing children in becoming linguistically ready for kindergarten using both or one of the languages of ASL and English.

(2) If a deaf or hard-of-hearing child does not demonstrate progress in expressive and receptive language skills, as measured by one of the educator tools or assessments selected pursuant to subdivision (b), or by the existing instrument used to assess the development of children with disabilities pursuant to federal law, the child's IFSP or IEP team, as applicable, shall, as part of the process required by federal law, explain in detail the reasons why the child is not meeting the language developmental milestones or progressing towards them, and shall recommend specific strategies, services, and programs that shall be provided to assist the child's success toward English literacy.

(d) (1) On or before March 1, 2017, the department shall provide the advisory committee established pursuant to subdivision (e) with a list of existing language developmental milestones from existing standardized norms, along with any relevant information held by the department regarding those language developmental milestones for possible inclusion in the parent resource developed pursuant to subdivision (a). These language developmental milestones shall be aligned to the department's existing infant, toddler, and preschool guidelines, the existing instrument used to assess the development of children with disabilities pursuant to federal law, and the state standards in English language arts.

(2) On or before June 1, 2017, the advisory committee shall recommend language developmental milestones for selection pursuant to subdivision (a).

(3) On or before June 30, 2017, the department shall inform the advisory committee of which language developmental milestones were selected.

(e) (1) The Superintendent shall establish an ad hoc advisory committee for purposes of soliciting input from experts on the selection of language developmental milestones for children who are deaf or hard of hearing that are equivalent to those for children who are not deaf or hard of hearing, for inclusion in the parent resource developed pursuant to subdivision (a). The advisory committee may also make recommendations on the selection and administration of the educator tools or assessments selected pursuant to subdivision (b).

(2) The advisory committee shall consist of 13 volunteers, the majority of whom shall be deaf or hard of hearing, and all of whom shall be within the field of education for the deaf and hard of hearing. The advisory committee shall include all of the following:

(A) One parent of a child who is deaf or hard of hearing who uses the dual languages of ASL and English.

(B) One parent of a child who is deaf or hard of hearing who uses only spoken English, with or without visual supplements.

(C) One credentialed teacher of deaf and hard-of-hearing pupils who use the dual languages of ASL and English.

(D) One credentialed teacher of deaf and hard-of-hearing pupils from a state certified nonpublic, nonsectarian school.

(E) One expert who researches language outcomes for deaf and hard-of-hearing children using ASL and English.

- (F) One expert who researches language outcomes for deaf and hard-of-hearing children using spoken English, with or without visual supplements.
- (G) One credentialed teacher of deaf and hard-of-hearing pupils whose expertise is in curriculum and instruction in ASL and English.
- (H) One credentialed teacher of deaf and hard-of-hearing pupils whose expertise is in curriculum and instruction in spoken English, with or without visual supplements.
- (I) One advocate for the teaching and use of the dual languages of ASL and English.
- (J) One advocate for the teaching and use of spoken English, with or without visual supplements.
- (K) One early intervention specialist who works with deaf and hard-of-hearing infants and toddlers using the dual languages of ASL and English.
- (L) One credentialed teacher of deaf and hard-of-hearing pupils whose expertise is in ASL and English language assessment.
- (M) One speech pathologist from spoken English, with or without the use of visual supplements.
- (f) The advisory committee established pursuant to subdivision (e) may also advise the department or its contractor on the content and administration of the existing instrument used to assess the development of children with disabilities pursuant to federal law, as used to assess deaf and hard-of-hearing children's language and literacy development to ensure the appropriate use of that instrument with those children, and may make recommendations regarding future research to improve the measurement of progress of deaf and hard-of-hearing children in language and literacy.
- (g) Commencing on or before July 31, 2017, and on or before each July 31 thereafter, the department shall annually produce a report, using existing data reported in compliance with the federally required state performance plan on pupils with disabilities, that is specific to language and literacy development of deaf and hard-of-hearing children from birth to five years of age, inclusive, including those who are deaf or hard of hearing and have other disabilities, relative to their peers who are not deaf or hard of hearing. The department shall make this report available on its Internet Web site.
- (h) All activities of the department in implementing this section shall be consistent with federal law regarding the education of children with disabilities and federal law regarding the privacy of pupil information.
- (i) For the purpose of this section, the term "language developmental milestones" means milestones of development aligned with the existing state instrument used to meet the requirements of federal law for the assessment of children from birth to five years of age, inclusive.
- (j) This section shall apply only to children from birth to five years of age, inclusive.
- (k) Implementation of this section is subject to an appropriation being made for purposes of this section in the annual Budget Act or another statute.

SEC. 2. If the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.

Intended Audience: Special education teachers, general education teachers, special education directors, psychologists, and any educational professional participating in IEP meetings.

Description: Hola! Language Services will provide a two-day (12 hours) Interpreting in Special Education Settings workshop that includes the following topics: getting it right: translation vs. interpreting, modes of interpretation, overview of state and federal mandates, professional standards of conduct for school interpreters, NASP recommended practices for working with interpreters, special education false cognates, bilingual “IEP forms” vocabulary, bilingual special education acronyms, online tools, and mock IEP interpreting practice. Participants will receive a myriad of language related materials/handouts, as well as a certificate of completion.

Cost: \$200.00

Registration: Please register online on the Organizational Management System (OMS) (<https://sbcss.k12oms.org>) in the appropriate calendar month/year for the event by February 8, 2018. For registration assistance, contact Julie Wheeler at (760) 955-3592 or email her at julie.wheeler@cahelp.org. There are no refunds for no-shows or cancellations after the registration deadline.

Where to Register: [OMS Registration](https://sbcss.k12oms.org/52-143767) (<https://sbcss.k12oms.org/52-143767>).

Special Accommodations: Please submit any special accommodation requests at least fifteen working days prior to the training by notating your request when registering for the event on [OMS Registration](https://sbcss.k12oms.org/52-143767) (<https://sbcss.k12oms.org/52-143767>).

California Alternate Assessments (CAA) Updates Steering Committee - December 2017

Training Video

- Administration of the CAA must be done by a trained, certificated staff member. The CAA Test Examiner Tutorial Video is now available for viewing. LEAs can use this video to train their staff in the administration of the CAA. The video can be accessed at the following address:
http://www.brainshark.com/ets/CAA-tutorial_2018

Directions for Administration for the CAA ELA and Math

- The CAA ELA and Mathematics Directions for Administration for the 2017/2018 administration will be available in late January 2018.

CAA Science Embedded Performance Tasks

- LEAs can begin administering the three (3) required Embedded Performance Tasks for the CAA Science test effective November 1st. Embedded Performance Tasks are activities assessing the California Next Generation Science Standards for students eligible to take an alternate assessment. All three performance tasks must be completed before the end of the academic year, and schools can begin to input results as early as January 9, 2018.
 - It is advised that teachers administer the performance tasks immediately after instruction has concluded for the designated Connector being assessed. The Tasks can be administered in any order.
 - Embedded Performance Tasks are uploaded and accessible to LEAs Test Coordinators and Test Examiners via TOMS – these are secured materials; therefore, not included in this discussion.
 - Which grades participate?
 - Grade 5
 - Grade 8
 - Grade 11 – LEAs may choose to administer the CAA Science to 10th, 11th, or 12th grade students. Students in high school must take the CAA Science **one time** during their period in high school.

Resources for the California Alternate Assessment

Eligible pupils shall have any instructional supports and/or accommodations, including the language of instruction, used in the pupil's daily instruction in accordance with the pupil's IEP.

Administration of the California Alternate Assessments (CAAs) to eligible pupils shall be one-on-one (test examiner to pupil) according to the CAASPP manual. Depending upon the pupil's disability or needs, the CAAs may or may not include the student's independent use of the testing interface. Since the CAAs are given to students one-on-one by a test examiner, some embedded resources are not provided. For example, while a Braille version of the test is not provided, the test may be presented using an embosser, or a refreshable display.

California Alternate Assessments

for English Language Arts/Literacy and Mathematics

WHAT ARE THE ALTERNATE ASSESSMENTS?

The California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics are part of California's state testing program called the California Assessment of Student Performance and Progress (CAASPP). Designed for students with the most significant cognitive disabilities, the CAAs for ELA and mathematics are an annual measure of what students know and can do using alternate achievement standards. Known as the Core Content Connectors, these standards are aligned with the Common Core State Standards for ELA and mathematics.

WHY ARE THE CAAs GIVEN?

The purpose of the CAAs for ELA and mathematics is to measure what students with the most significant cognitive disabilities know and can do. These measures help identify and address gaps in knowledge or skills so students get the support they need.

WHO TAKES THE CAAs?

Students are eligible to take the CAA only if it is indicated in their active individualized education program (IEP) by the IEP team.

The CAAs for ELA and mathematics will be administered to all eligible students in grades three through eight and grade eleven.

HOW ARE THE CAAs GIVEN?

The CAAs are administered one-on-one by a trained test examiner who is familiar with the student and his or her needs.

The CAAs are computer-based and are stage-adaptive, adjusting the level of difficulty to the student's performance at selected stages within the test. Student results are reported as one of three performance levels.

WHEN ARE THE ALTERNATE ASSESSMENTS GIVEN?

JUL AUG SEPT OCT NOV DEC JAN FEB MAR APR MAY JUN JUL

The CAAs for ELA and mathematics are administered from January through the last day of a local educational agency's selected testing window or the last day of instruction.

California Alternate Assessment for Science Pilot Year 2

WHAT IS THE ALTERNATE ASSESSMENT FOR SCIENCE?

The California Alternate Assessment (CAA) for Science is part of California's state testing program called the California Assessment of Student Performance and Progress (CAASPP). Currently under development, the CAA for Science will undergo a second year of pilot testing in 2017–18, field testing in 2018–19, and operational administration in 2019–20.

Designed for students with the most significant cognitive disabilities, the CAA for Science is an annual measure of what students know and can do using alternate achievement standards. Known as the Core Content Connectors, these standards are aligned with the California Next Generation Science Standards (CA NGSS).

WHY IS THE CAA FOR SCIENCE GIVEN?

The purpose of the CAA for Science is to measure what students with the most significant cognitive disabilities know and can do. These measures help identify and address gaps in knowledge or skills early on so students get the support they need.

The purpose of the year 2 pilot test is to allow educators to try out performance task items and become familiar with the practice of embedding performance tasks into classroom instruction.

WHO TAKES THE CAA FOR SCIENCE?

Students are eligible to take the CAA for Science only if it is indicated in their active individualized education program (IEP) by the IEP team.

The year 2 pilot test will be administered to eligible students in grades five and eight. For grades ten, eleven, and twelve, certain students will be expected to participate on the basis of the last science course they completed.

HOW IS THE CAA FOR SCIENCE GIVEN?

The CAAs are administered one-on-one by a trained test examiner who is familiar with the student and his or her needs.

The year 2 pilot test consists of three embedded performance tasks, a collection of activities and questions administered after related concepts are taught to the students. Performance tasks allow teachers to determine the best time to administer tasks, and allow students to demonstrate what they know and can do in a less burdensome environment.

Test Examiners will enter a student's scores for each performance task into the Data Entry Interface System.

SECTION A State Special Schools

SECTION B Diagnostic Centers

Introduction

California School for the Blind and California School for the Deaf were established to provide a comprehensive educational program for children in need of extensive specialized services due to impairments in vision and/or hearing. Placement in state special schools pursuant to Education Code §§ 59020 and 59120, is made as a result of recommendations from the child's Individualized Education Program (IEP) team, upon a finding that no appropriate placement is available within the local plan area.

According to California Education Code § 56326, a child can be referred for further assessment by the California School for the Deaf or Blind or the Diagnostic Centers. This assessment, however, does not constitute placement in the state special schools. This information, along with other relevant factors, would assist the IEP team in their decision-making process regarding the most appropriate placement for the child.

Section A - State Special Schools

California Education Code § 59001. The California School for the Deaf is part of the public school system of the state except that it derives no revenue from the State School Fund, and has for its object the education of the deaf, who because of their severe hearing loss and educational needs, cannot be provide an appropriate educational program and related services in the regular public schools.

California School for the Deaf, Riverside (CSDR) is a state special school that serves hearing-impaired children between the ages of three and 21, who live in Southern California. Both residential and day programs are available for eligible children. CSDR staff members work closely with local school districts to collaborate and provide students who are hard of hearing or deaf with the state adopted curriculum, standards, and student performance outcomes.

California School for the Blind's mission is to provide a comprehensive educational program to California students who are visually impaired, deaf-blind, and visually impaired/multi-handicapped from infancy through age 21. Both residential and day programs are available to assist eligible children to lead vocationally, personally, and socially satisfying lives that are productive and at their highest level of independence.

Rationale for State School Referral

- Documentation must exist that no local education agency (LEA) or county program exists where the child's needs can be met appropriately, even with modifications; or
- Documentation must indicate that LEA or county staff cannot adequately assess the child's ability, functional levels, and learning potential.

Prerequisites to State School Referral

All local public resources must be investigated and proven inappropriate by the IEP team. This documentation should include all modifications that have been made in order to help the child be successful in the least restrictive environment.

IEP Meetings for Possible State School Placement

The IEP team members shall review all available data relative to assessment, modification to current program, program needs, local program options, and state school programs.

Based on the information presented, the IEP team may recommend and make a referral for any of the following:

- Additional assessment(s),
- A LEA or county operated program within the Desert/Mountain SELPA,
- A public program outside the Desert/Mountain SELPA, or
- A state school:
 - a) California School for the Deaf, Riverside, or
 - b) California School for the Blind, Fremont.

Referral Process

The following steps represent the process for a referral to a state special school:

- If all resources and options have been exhausted, the IEP team makes a referral directly to the state school. Transportation required to attend CSDR is scheduled through the Desert/Mountain SELPA via the Program Manager Due Process department.
- The LEA will provide a copy of the student's IEP to the Desert/Mountain SELPA (to the MIS Analyst) so that the SELPA is able to keep track those students who attend State Schools for LEA IEP invitation and attendance only.

Section B - Diagnostic Centers

California Education Code § 59201. The diagnostic centers are a part of the public school system of the state, except that they derive no revenue from the State School Fund. The diagnostic centers provide services, including pupil assessment, consultation, technical assistance, and training, to school districts, county offices of education, and special education local plan areas.

The Diagnostic Centers, which were established nearly 50 years ago, are the California Department of Education's (CDE) foremost providers of specialized services and assistance to students with disabilities, their families, and LEAs. The Diagnostic Centers provide high quality assessments to hundreds of students each year and conduct valued training programs for thousands of educators and families across the State of California. The services offered include assessment, technical assistance, transition services, and staff development training.

The Referral Process

Referrals to the Diagnostic Centers are accepted from LEAs and may be made if a child is making inadequate progress. The Diagnostic Centers provide in-depth information regarding the learning styles, behavioral needs, and academic needs of children by providing assessment service and support, after local resources have been exhausted. Assessments may occur at the center or the LEA depending on the needs of the child. A team of Diagnostic Center staff members work in collaboration with local educators and the child's parents to provide in-depth information to assist with decision-making regarding a child's

needs. In addition to assessment services, the Diagnostic Centers offer technical assistance, consultation, and staff development. There is no cost for Diagnostic Center services to the referring agency or parent.

Referrals are only accepted from LEAs and may be made if:

- A child is making inadequate progress despite utilization of all LEA resources; and /or
- A child has complex behavioral and/or learning profiles and assessment needs that cannot be addressed locally by the LEA.

Diagnostic Center Service Description

A description of the Diagnostic Center services follows:

1. Assessment services and technical assistance are dynamic, transdisciplinary processes. The Diagnostic Centers utilize expert teams of assessment specialists. A team may include an educational specialist, a language speech and hearing pathologist, a school psychologist, a clinical psychologist, a transition specialist, a pediatrician, or a motor specialist. Assessments are carefully planned and include a dynamic individualized process with educationally relevant diagnostic questions. The outcome is a student profile with a specialized intervention plan that includes strategies and programming options.
 - Assessments and locations vary. A child may have an individual field-based assessment at the local school. The assessment may be given at the Diagnostic Center, or, the child may be assessed at both environments. A group assessment could be a part of a field-based model, which would include issues of service delivery, intervention design, behavior, and curriculum as applicable to the group with which the child interacts.
 - Parent collaboration is valued and becomes an integral part of the assessment process. Parents assume an active role in the team process through input during the referral, through extensive interviews with the Diagnostic Center's assessment staff, and actually participate during portions of the assessment.
 - At the completion of the individual assessment Diagnostic Center staff often meets with parents and LEA staff to provide findings, provide practical teaching strategies, and plan interventions. A comprehensive written report accompanies this review.
 - Implementation of the assessment findings occurs as the Diagnostic Center staff provides technical assistance to the IEP team. Direct support may be provided to the classroom teacher and other support specialists. If requested, staff demonstrates recommended strategies, interventions, or methodologies, as well as assists with development of behavioral intervention systems. Additionally, a large selection of resource materials and handouts may be of assistance to the LEA and/or parents for implementation of the ideas and strategies outlined in the report.
2. Transition services and resources for children ages 16-22 with disabilities, their families, and service or care providers. These services facilitate an outcome-driven transition process for the child. Services promote a student focused process based upon student empowerment and informed decisions. Student decisions and family plans lead to meaningful employment and/or adult living that are commensurate with the child's interests, abilities, and aptitudes.
 - Transition services include: assessment, consultation, training, and technical assistance on specific transition issues for LEAs, WorkAbility I Project, Juvenile Court, Community

School programs, and Job Training Partnership Act (JTPA). Formal staff development on various topics related to transition services for students with disabilities are available for LEAs, families, and other service providers.

- Technical assistance relates assessment to classroom and community instruction. Linkages with other agencies results from development of a plan for coordinated services. Student and parent involvement is promoted during the planning and implementation of the transition process.
3. Staff development is provided through an extensive array of topics. Diagnostic School specialists provide half and full day workshops throughout the state. Many of the presentations are provided through the 12 Regional Coordinating Councils and are scheduled as a part of the council's training plan. Additional times are available for individual SELPAs or LEAs upon request. Training topics include: behavior, reading, transition, early education, autism, classroom instruction, and other timely and current topics. The Diagnostic Center continues to provide up-to-date information on topics that are current and represent areas of need within the state.

Level IV IEP Meetings for Possible State School Placement

The IEP team members shall review all available data relative to assessment, modification to current program, program needs, local program options, and state school programs.

Based on the information presented, the IEP team may recommend and make a referral for any of the following:

- Additional assessment(s).
- A LEA or county operated program within the Desert/Mountain SELPA,
- A public program outside the Desert/Mountain SELPA, or
- A state school:
 - a) California School for the Deaf, Riverside, or
 - b) California School for the Blind, Fremont.

Referral Process

The following steps represent the process for a referral to a state special school:

- If all resources and options have been exhausted, the IEP tTeam makes a referral directly to the state school. Transportation required to attend CSDR is scheduled through the Desert/Mountain SELPA via the Program Manager² Due Process² department.
- The LEA will provide a copy of the student's IEPate school referral to the Desert/Mountain SELPA (to the MIS Analyst) so that the SELPA is able to keep track of those students who attend State Schools for LEA IEP invitation and attendance only.

Section B - Diagnostic Centers

California Education Code § 59201. *The diagnostic centers are a part of the public school system of the state, except that they derive no revenue from the State School Fund. Comprehensive Review (CR) Exit Meeting – VVUHSD

11/17/17

Celebrations

- ✚ "Significant Improvement"
- ✚ "Outstandingly Improved"
- ✚ CDE is very happy about improvement
- ✚ Best turn around they have seen
- ✚ Notice of IEP meetings – all there Loves the forms
- ✚ Likes having the home language on 68A
- ✚ Harmful effects comments very good, best they've seen (What are they losing by being in there?)
- ✚ Goals matched areas of need
- ✚ Turned around issues with parent participation "Huge Turnaround"
- ✚ Very few general education teacher excusals
- ✚ Likes SELPA Forms
- ✚ Good job documenting parent concerns in the notes. They can tell parents are valued
- ✚ "Colette is amazing"

Continued Development

- ✚ Would like added to the form a box or line to mark that parent has received a copy of any/all assessment report(s) on the signature page.
- ✚ PWN – didn't see, team explained all 7 components of PWN are in the Meeting Notice D/M67. Donna agreed, remembered the discussion last time.
- ✚ Believes more training needed on transition Post-Secondary Goals – either missing them or are not appropriate. Wants to see them aligned with student interest and how transition plop and goal will support the post-secondary goal.
- ✚ Transition Course of Study needs additional information of courses by year
- ✚ Document specific transition assessments used not just interest inventory
- ✚ Linguistically appropriate Goals – Could not find evidence they were developed, box was checked but goals not noted as such (Drop down on 68F= training)
- ✚ Assessments for ELD identified students not administered in primary language
- ✚ Speech assessment reports to address a paragraph- culturally sensitive discussion and needs additional information on health. Not just vision and hearing. (discussed attending Dora Dome's training at the next Psych. Meeting and inviting SLPs and County DHH and OI teachers who determine eligibility)
- ✚ OI assessment – needs to include type of instruments used
- ✚ When they called the teachers (case carriers) they weren't aware of what services the students were receiving

CDE will not be conducting a site visit again. Will ask for access to files remotely and view files via a desk audit.

Will send report to Superintendent and Jenae.

We will be getting a new FUMTA, Shirley Wagle – Restructuring unit

MEMORANDUM

DATE: November 27, 2017

TO: Directors of Special Education and MIS Support Staff

FROM: Colette Garland, MIS Support Analyst

SUBJECT: December 1, 2017 Pupil Count Schedule - **Revised**

All IEPs and pupil count data effective on or before December 1, 2017, must be entered into the SELPA MIS system no later than **FRIDAY, DECEMBER 15th, 2017**. For LEAs that do not enter their own data, be sure to complete the IEP in the WebIEP program for bridging purposes no later than December 15th, 2017.

Please be sure to run your LEA Verification Reports and review all elements of the report for errors.

It is the Desert/Mountain and Desert/Mountain Charter SELPA's goal to send all districts a final report by January 5, 2018, along with a certification page. The following schedule will be used for the December 2017 Pupil Count.

P-1 Pupil Count Schedule

December 15, 2017

All IEPs (dated July 1, 2017, through *and including* December 1, 2017) will be reported. ***ATTENTION ALL LEA Members: Do not enter any IEPs dated after December 1, 2017 – this includes services that start after December 1st, until the SELPA has finalized this Pupil Count.***

January 5, 2018

Certification should be signed and returned to the SELPA office.

**DECEMBER DUPLICATE PROCESS WILL COMMENCE AFTER SUBMISSION
BASED ON CALIFORNIA DEPARTMENT OF EDUCATION SCHEDULE.**

Please review the above schedule. If you anticipate problems meeting these deadlines or have any questions, contact me at (760) 955-3565 as soon as possible so that assistance can be provided to you.

MEMORANDUM

DATE: October 31, 2017

TO: Special Education Directors
MIS Contacts

FROM: Colette Garland
MIS Support Analyst

SUBJECT: Desired Results Access Project (DRDP) – Fall 2017 - Revised

The Desired Results Access Project supports special educators, administrators, and families in implementing the California Department of Education's Desired Results Developmental Profile (DRDP (2015)) for:

All infants and toddlers with Individualized Family Service Plans (IFSPs) who are reported in the CASEMIS system; and all preschool-age children (3 - 5 year olds not enrolled in transitional kindergarten or kindergarten) who have Individualized Education Programs (IEPs).

The Fall 2017 DRDP will be based on observations made between October 1 and November 30. The rating assessments to be used are the DRDP 2015 Preschool Fundamental view and the DRDP 2015 Infant/Toddler View. The SELPA is responsible for certifying and submitting the completed data to the California Department of Education (CDE). In order to meet the deadline, LEAs must enter the DRDP data directly into the Management Information Systems (MIS/WebDA) no later than **Friday, January 19, 2018**. For additional information on DRDP, please visit www.draccess.org.

If you anticipate problems meeting the **January 19th deadline**, please notify me immediately to make arrangements for assistance. I would strongly advise that you create your own "internal" LEA deadline so that you have time to complete the data entry into MIS/WebDA. I can be reached at (760) 955-3565 or via email at colette.garland@cahelp.org.

Thank you.

PROFESSIONAL LEARNING OPPORTUNITY

Non-Violent Crisis Institute (CPI)

Presented by

The CPI Team

Description: The brand new and enhanced curriculum, Non-Violent Crisis Prevention Institute (CPI) is a two-day course considered to be the worldwide standard for crisis prevention and intervention. With a core philosophy of providing for care, welfare, safety and security, and aligned with positive behavioral supports principles, it gives educators the skills to safely and effectively prevent, disengage, and physically withhold, as a last resort, dangerous situation.

Participants must dress safely and must attend the entire two-day course. At the successful demonstration of competency of physical moves and passage of an exam, participants will receive certification.

Date(s)/Time: January 8-9, 2018
Registration: 8:00 – 8:30 a.m.
Training: 8:30 a.m. – 3:30 p.m.

Location: Desert Mountain Educational Service Center
17800 Highway 18, Apple Valley, CA 92307

Cost: \$30.00

Intended Audience: Teachers, principals, para-educators, psychologist, and anyone else who may benefit. Please keep in mind that these certificates expire every two years and participants must recertify accordingly.

Registration: To ensure that we provide enough materials for everyone, please register online on the Organizational Management System (OMS) (<https://sbcss.k12oms.org>) in the appropriate calendar month/year for the event, December 29, 2017. For registration assistance, contact Jennifer Holbrook at (760) 955-3559 or by email (jennifer.holbrook@cahelp.org). For additional information regarding the training content, please contact Danielle Cote at (760) 955-3584 or by email (danielle.cote@cahelp.org). There are no refunds for no-shows or cancellations after the registration deadline.

Where to Register: [OMS Registration](https://sbcss.k12oms.org) (<https://sbcss.k12oms.org>)

Training Event: <https://sbcss.k12oms.org/52-135407>

Special Accommodations: Please submit any special accommodation requests at least fifteen working days prior to the training by notating your request when registering for the event on [OMS Registration](https://sbcss.k12oms.org/52-135407) (<https://sbcss.k12oms.org/52-135407>).
